Church Militant Field Manual: Special Forces Training for the Life in Christ Fr Richard M Heilman
God wants you, but He wants you "strong" in His supernatural power. From the very first days of our membership in the Mystical Body of Christ, we are, in essence, commissioned officers in the Church Militant. This Church Militant Field Manual will test you in your resolve to become strong in the Lord and His mighty power. You will also learn the special operations (special ops) techniques and procedures for search and rescue missions of fallen comrades (family and friends whose faith has grown weak). Discover what it means to be "God strong."
