Daniella has accepted her future as a royal tiger—and as a mate to Erick and Owen. But with a stalker on the loose, living to see any kind of future is hardly a given. And when an overheard conversation makes her doubt her ability to ever shift into a tiger, her place among the weretigers is called into question.

But Daniella isn't one to shy from a challenge. She will claim what is hers—even if it means risking her life. But it won't be easy, especially when her mates are determined to keep her safe at any cost.
