Hiding in Plain Sight, 2nd Edition Ken Bowers

A secret combination that seeks to overthrow the freedom of all lands, nations, and countries is increasing its evil influence and control over America and the entire world.

Ezra Taft Benson

General Conference, 1988

The world is full of evil men conspiring for total control. Composed of religious, financial, and political committees, this secret combination coordinates with other groups to accomplish its ultimate plan a one-world government called the New World Order and a one-world religion led by the Anti-Christ. But if this is true, why do so few people know about it? Why isn't it broadcast by the media for all the world to see? One reason is that the media obscures the actions of this great conspiracy. But the greatest reason is that the conspiracy is taking place right before our eyes, staring at us so hard in the face that we can't see it.

With new evidence from various experts on the subject, this revised edition of *Hiding in Plain Sight* examines the combinations that seek to destroy us and exposes the reasoning they use to deceive us. This is a must-read for any Latter-day Saint who wants to outsmart the enemy and win the war against Satan.
