Pagan Portals - God-Speaking

Judith O'Grady

Pagan Portals - God-Speaking Judith O'Grady

Pagan Portals - God-Speaking offers a new concept in Earth ecology incorporating mysticism and folk religion. The author is both a trance seer and a biologist, bringing a unique balance to an examination of nature philosophy. Storytelling examples from Irish folklore, NeoPagan theology, and scientific observations all contribute to a carefully reasoned theory about the future of the Earth and ourselves.
