The Power of the Blood of Christ

Andrew Murray

The Power of the Blood of Christ Andrew Murray

"The Power of the Blood of Christ" does a wonderful job of introducing the need for Christians to claim the blood of Jesus, and in confirming its biblical authenticity. In a day when the blood of Jesus is being removed from the very translation of the Bible itself, when the mention of the blood of Jesus is considered offensive even in the churches, it is more important than ever for this book by Andrew Murray to remove the misconceptions. "The Power of the Blood of Christ" is a God-send for those who are willing to accept the ways of God without cringing. Though the blood of Jesus is not in any way magical, it is nonetheless crucial and foundational to receiving any benefit whatsoever from God. In "The Power of the Blood of Christ," Andrew Murray clearly shows this truth in his books. He also mentions scores of benefits that are only available through the shed blood of Jesus. This book remains a Christian classic, a tremendous discourse on "The Power of the Blood of Christ." The New Testament book of Hebrews states that, "Without the shedding of blood there is no forgiveness of sin." Andrew Murray shows clearly that within that statement is included ALL the resulting benefits of forgiveness, as well.
