Thus Spake Zarathustra (Xist Classics) Freiderich Nietzsche

God Is Dead *"I am a forest, and a night of dark trees: but he who is not afraid of my darkness, will find banks full of roses under my cypresses."* - Friedrich Nietzsche, *Thus Spake Zarathustra*

Zarathustra in *Thus Spake Zarathustra* is not the Persian founder of Zoroastrianism, he is just a means to Friedrich Nietzsche's end. Through Zarathustra, Nietzsche tries to define his own philosophy attacking the Christian values of good and evil and predicting the rise of a new man, the superman, a self-mastered, self-cultivating, self-directed and self-overcoming individual.
