Winner of the 2012 Grand Canyon Reader Award for a Non-fiction book

Global events and new technology change how we live from moment to moment. So, what will our world be like in twenty years? Come take a look as futurists Amy Zuckerman and James Daly examine what a kid's daily life might be like in the year 2030. Inspired and informed by trends and scientific and technological research, *2030* is not only a peek at some cool future gadgets (talking dog collars, cars that drive themselves), but also a thoughtful examination of how our lives might be impacted as we adjust to environmental change.
