Heart And Soul Lucia Jordan

This is the first book of the 'Heart & Soul' Series. A seriously hot and provocative romance by Lucia Jordan, written in her signature style of high passion, searing depictions and emotion.

It's Molly Cooper's ten year high school reunion. She's excited to see familiar faces, old friends, and fond enemies, but she's also nervous. Voted most likely to succeed, she's going feeling like a failure. Her life isn't what she'd hoped it would be. And on top of all that, her high school sweetheart, the man who broke her heart and left her in pieces will be there. Will she be able to face him? It's awkward, but she manages. Until the end of the night when she's leaving and he's waiting for her. One unexpected kiss turns into a night of passion and a proposition she can't refuse.

This ebook contains very hot and explicit descriptions of romantic activity. Only mature readers should download this book.
