The David Icke Guide to the Global Conspiracy (and how to end it) David Icke

The David Icke Guide to the Global Conspiracy investigates and examines many subjects and aspects of the "conspiracy" and "connects the dots". The picture that appears once you understand how it all fits together is astounding. This is the book that will wake up the masses and reveal at last in an undeniable way the incredible level of control a covert and evil controlling force has had over humanity for thousands of years. It shows how they manipulate your reality using advanced but hidden knowledge so you are little more than slaves who think you're free and are doing exactly what you're covertly told to.

This book delivers a sharp wake-up call and will have a major impact on the way you see the world.
