'12' Heavens : '13' Gates: The Path: Home Donna Rae

This has been a journey I will never forget for the Conscious Mind has now been merged with the Subconscious Mind and the Unconscious Mind is now filled with the Wisdom, of the last thirty-six years of research, on the road to so many paths gaining information for each belief I could find. Connections are being made at such a rate I became anxious when the program Word decided to not respond and I would get upset at the wait to continue my thought process. I had so many opportunities to keep writing and that ended in '4' separate books. All on my path to the Kingdom of Light. All from a Dream Vision that showed me there was something I was not being told so my search began. Where I ended up was an amazing view of how man has lived his life from the day Adam and Eve were kicked out of the Garden of Eden over a serpent's light shining brighter than Adam's. Adam was not content with his own appearance and in his ignorance began to change the very image of his soul from the Image and Likeness of the Creator to the very beast that comes out of the sea in the Revelations of John. A sin that is mentioned by the American Indians of the 'Totem' they so revered in their teachings, caused by the very thought of borrowing an animal trait to survive this animal world. At first they were considered animal guides, to guide the soul through the invisible world, but the guide became the soul of the person associated with the animal. We see in the writings of Adam and Eve they became part of the very Seraphim Serpent they desired to be like. The more the desire of the animal becomes the more animal traits are attached to your soul. Since the soul is invisible: you do not see the damage you have done but it will keep you out of the Kingdom of Light. Here we show you how all this came about and the three books that lead up to this one will explain how all these connections came about to find the truth man is ashamed to speak of and hides his own soul's image from you by pretending to be all love. You got to that rank or status where you see yourself now by creating a thought of the desire to get there. In the process you needed hidden assistance to fight the battle of leadership over another or being in the higher position of boss over others. What animal did you borrow to get there. He will be hidden within your subconscious mind for that is where we plant every thought we have as it matures to allow us the glory and honor we so think we deserve. Time to clean up the soul and find your path to the Kingdom of Light and my books will not get you there as they assisted my journey. You will be able to see the steps I took to reach this thought and true belief of the animal soul kingdom you undeniably and unknowingly created. Good Luck. Donna Rae
