Michael Marshall Smith

Only Forward Michael Marshall Smith

Only a handful of authors write with such startling originality that the uniqueness of their vision has become synonymous with their name. In *Spares* and *One of Us*, Michael Marshall Smith has earned that distinction. In this unsettling, suspenseful, and wildly imaginative novel he's written a tale that from page one hurtles us....

Call him Stark. If you have to. If you're lucky, you won't call him at all. Because if you do, it means you've got trouble. Big trouble. And the problem is that before Stark is done fixing something, a whole lot of other things usually get broken. Like laws and lives—and anyone who gets in the way. It's that attitude that's earned him his latest assignment: finding a missing VIP named Fell Alkland. The authorities believe Alkland has been kidnapped. Stark doesn't. He hasn't stayed alive this long without learning the basics of survival in a world hurtling straight to hell: Things are always more complicated than they seem. And when a job seems too easy, that's when something really ugly is about to happen. For Fell Alkland is about to become Stark's worst nightmare, a nightmare where anything can happen at any time—where friends can become enemies in a heartbeat and your most secret fear a soul-screaming reality. And the worst of it is that for this nightmare you don't even have to be asleep.

From reader reviews:

Dave Thomas:

The guide with title Only Forward possesses a lot of information that you can understand it. You can get a lot of gain after read this book. This book exist new expertise the information that exist in this reserve represented the condition of the world right now. That is important to yo7u to understand how the improvement of the world. This kind of book will bring you with new era of the internationalization. You can read the e-book on the smart phone, so you can read it anywhere you want.

Lawrence Shults:

Do you have something that you like such as book? The guide lovers usually prefer to decide on book like comic, limited story and the biggest some may be novel. Now, why not striving Only Forward that give your satisfaction preference will be satisfied by reading this book. Reading behavior all over the world can be said as the means for people to know world far better then how they react when it comes to the world. It can't be said constantly that reading habit only for the geeky individual but for all of you who wants to become success person. So , for all you who want to start looking at as your good habit, it is possible to pick Only Forward become your personal starter.

Jeffrey Chambers:

Your reading sixth sense will not betray you, why because this Only Forward book written by well-known writer whose to say well how to make book that could be understand by anyone who else read the book. Written within good manner for you, dripping every ideas and writing skill only for eliminate your personal hunger then you still skepticism Only Forward as good book not simply by the cover but also by content. This is one publication that can break don't assess book by its deal with, so do you still needing another sixth sense to pick this kind of!? Oh come on your reading sixth sense already told you so why you have to listening to another sixth sense.

James Bouchard:

This Only Forward is great publication for you because the content that is certainly full of information for you who have always deal with world and also have to make decision every minute. This kind of book reveal it facts accurately using great organize word or we can state no rambling sentences inside it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having Only Forward in your hand like keeping the world in your arm, details in it is not ridiculous one. We can say that no guide that offer you world inside ten or fifteen second right but this reserve already do that. So , this is certainly good reading book. Heya Mr. and Mrs. active do you still doubt which?
