But her current case has brought her back to the man she once loved and lost, a man who is now a broken widower. Audrey and her brother are stalking his neighbor, a man who may be plotting to kill the Prince. Staying in Griffin's home, Audrey is reminded of all the desires and feelings he once stirred in her. As for Griffin, he finds himself obsessed with Audrey, and driven to protect her even if it threatens her case.

But as their desire for each other grows, the case Audrey and her brother are investigating heats up. And if she cannot arrest the blackguard in her sights, she may not live, let alone get to live happily ever after with the man of her dreams.

## >>> **The Temptation of a Gentleman**

Noah Jordan misses the life he once led as a spy so when he's asked by his former superior to head to the countryside and investigate a potential murder, he jumps at the chance. He doesn't expect to meet Marion Hawthorne, a young woman his suspected murderer is interested in taking as his wife. In an effort to help her... and to get closer to the fascinating lady, Noah asks for her help in his investigation.

But as they grow closer, their desire grows and suddenly Noah has a harder and harder time remembering any duty, any promise or any future he ever imagined without her.
