Would You Rather...? An Absolutely Absurd Anthology: Over 3,000 Absolutely Absurd Dilemmas to Ponder Justin Heimberg, David Gomberg

This giant compendium of Would You Rather...? questions carefully selected from the author's *oeuvre* along with selection of new questions created just for this volume stands as the authors' masterwork. Sure to appeal both to Would You Rather...? scholars as well as the casual fan, *Would You Rather...? Anthology* is the stocking stuffer that will send holiday shoppers in search of a bigger stocking and recipients in search of weight training classes.

What began as the musings of two recent college graduates in search of gainful employment spawned first a book, then a series of books, a publishing house, a political movement, and ultimately a complete lifestyle. Even surviving the backlash of David Gomberg's now-infamous "Would You Rather...? is more popular than The Beatles now" quote of 2004, the timeless nature and simple joys of Would You Rather...? have transcended the confines of popular culture to become an institution.
