## **A Guide to Fashion Sewing** Connie Amaden-Crawford

*A Guide to Fashion Sewing*, 6th Edition, provides a comprehensive fashion sewing resource for beginning and advanced sewers alike. Readers will learn how to assemble and construct designs of various styles using proven industry methods for more than 100 sewing applications. Chapters cover everything from sewing equipment, measurements, and fabric selection to actual garment assembly. Filled with easy to follow, step-by-step instructions and large, clear illustrations, this book is an indispensable resource for constructing quality garments. Accompanying video demonstrations help readers learn at their own pace basic sewing skills and techniques such as seams, darts, bias binding, zipper, and garment assembly.

The new edition features an updated design, new industrial sewing machine information and photographs, and expanded information on tailoring. Amaden-Crawford has added convenient metric measurement equivalents to the text, helpful project checklists to aid self-assessment of completed project, and 1/2 scale patterns to make sample garment assembly easier than ever before.
