## **Grace (Visual Edition) Philip Yancey**

Philip Yancey's *What's So Amazing About Grace?* won the Book of the Year Award in 1998 and has sold over one million copies since it was first published in 1997. Now, this innovative visual edition, *Grace*, uses the life-transforming content of Yancey's message and makes it accessible to a whole new audience. This visually rich book takes portions of the text of the original book and illustrates the themes and messages with provocative full-color photography and graphic illustrations. The creators of this visual edition designed it with the needs of contemporary postmodern readers in mind: both spiritual seekers and the younger, more visually oriented readers of today's culture. By combining Yancey's engaging style with striking images that enhance and illuminate the message, this unique book enables readers to 'experience grace' as they interact with the powerfully imaginative format. With deep personal honesty Yancey paints true portraits of grace's life-changing power as he searches for its presence in his own life and the life of the church. He explores grace---God's love for the undeserving---while challenging Christians to become living answers to a world that desperately wants to know: What's so amazing about grace?
