## MasteringPhysics with Pearson eText: Standalone Access Card for University Physics, 13th Edition

Hugh D. Young, Roger A. Freedman, A. Lewis Ford

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you **select the correct ISBN**. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, **you may need a CourseID**, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

### Packages

Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase.

### Used or rental books

If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code.

### Access codes

Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase.

--

**Used by over a million science students, the Mastering platform is the most effective and widely used online tutorial, homework, and assessment system for the sciences. Pearson eText gives students access to the text whenever and wherever they can access the Internet. The eText pages look exactly like the printed text, and include powerful interactive and customization functions. This is the product access code card for MasteringPhysics with Pearson eText Student Access Code Card and does not include the actual bound book.**

**University Physics with Modern Physics, Thirteenth Edition continues to set the benchmark for clarity and rigor combined with effective teaching and research-based innovation.**

**University Physics** is known for its uniquely broad, deep, and thoughtful set of worked examples—key tools for developing both physical understanding and problem-solving skills. The Thirteenth Edition revises all the Examples and Problem-Solving Strategies to be more concise and direct while maintaining the Twelfth Edition's consistent, structured approach and strong focus on modeling as well as math. To help students tackle challenging as well as routine problems, the Thirteenth Edition adds Bridging Problems to each chapter, which pose a difficult, multiconcept problem and provide a skeleton solution guide in the form of questions and hints.

The text's rich problem sets—developed and refined over six decades—are upgraded to include larger numbers of problems that are biomedically oriented or require calculus. The problem-set revision is driven by detailed student-performance data gathered nationally through MasteringPhysics®, making it possible to fine-tune the reliability, effectiveness, and difficulty of individual problems.

### **From reader reviews:**

#### **Tawny Morgenstern:**

In this 21st hundred years, people become competitive in every way. By being competitive now, people have do something to make these survives, being in the middle of the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated the item for a while is reading. Yeah, by reading a publication your ability to survive boost then having chance to stand than other is high. For you who want to start reading a book, we give you this particular MasteringPhysics with Pearson eText: Standalone Access Card for University Physics, 13th Edition book as basic and daily reading reserve. Why, because this book is greater than just a book.

#### **Courtney O'Donnell:**

Do you one of people who can't read pleasant if the sentence chained in the straightway, hold on guys this kind of aren't like that. This MasteringPhysics with Pearson eText: Standalone Access Card for University Physics, 13th Edition book is readable by means of you who hate those straight word style. You will find the information here are arrange for enjoyable examining experience without leaving even decrease the knowledge that want to offer to you. The writer regarding MasteringPhysics with Pearson eText: Standalone Access Card for University Physics, 13th Edition content conveys the idea easily to understand by many individuals. The printed and e-book are not different in the content but it just different by means of it. So , do you nevertheless thinking MasteringPhysics with Pearson eText: Standalone Access Card for University Physics, 13th Edition is not loveable to be your top checklist reading book?

#### **Tonia Lee:**

The e-book untitled MasteringPhysics with Pearson eText: Standalone Access Card for University Physics, 13th Edition is the reserve that recommended to you to learn. You can see the quality of the reserve content that will be shown to anyone. The language that publisher use to explained their ideas are easily to understand. The article writer was did a lot of investigation when write the book, and so the information that they share to your account is absolutely accurate. You also could possibly get the e-book of MasteringPhysics with Pearson eText: Standalone Access Card for University Physics, 13th Edition from the publisher to make you much more enjoy free time.

#### **Belinda Kirwin:**

Your reading 6th sense will not betray an individual, why because this MasteringPhysics with Pearson eText: Standalone Access Card for University Physics, 13th Edition guide written by well-known writer we are excited for well how to make book which might be understand by anyone who have read the book. Written throughout good manner for you, dripping every ideas and writing skill only for eliminate your hunger then you still skepticism MasteringPhysics with Pearson eText: Standalone Access Card for University Physics, 13th Edition as good book not merely by the cover but also with the content. This is one e-book that can

break don't judge book by its deal with, so do you still needing a different sixth sense to pick this!? Oh come on your reading sixth sense already alerted you so why you have to listening to a different sixth sense.
