## **Officer Survival for Probation and Parole Officers** Scott Kirshner

Officer Survival for Probation and Parole Officers by Scott Kirshner is a comprehensive doctrine on officer survival skills for those who supervise offenders in the community. Community Corrections Officers also known as Probation and Parole Officers supervise both juvenile and adult offenders who have a demonstrated and documented history of breaking the law. The reality is that most offenders, even violent offenders, will eventually be released from jail or prison and may end up on either probation or parole. Community Corrections Officers often supervise offenders with a history of violence, domestic violence, sex offenders, seriously mentally ill, gang offenders, members of hate groups, etc. that will not hesitate to harm you if the offender feels that their freedom is in jeopardy. Probation Officers and Parole Officers have been killed and seriously injured in the line of duty. It is critical that probation and parole officers train officer survival skills in a manner that is realistic, dynamic, and under stressful conditions. If you are not training for the “worst case scenario” then your training will not prepare you for the realities of a dynamic and violent encounter. In Officer Survival for Probation and Parole Officers you will learn about: Officers that have been killed in the line of duty, combat mindset, survival fundamentals, use of force, office safety, field safety, probation and parole searches, and self-aid/buddy aid. Officer Survival for Probation and Parole Officers has valuable exercises that you can use to increase your officer survival skills. Additionally, it has a copy of a Search Operational Plan that you can use to prepare for probation or parole searches. Whether you are a new officer or seasoned veteran supervising juvenile or adult offenders this book will provide you with information that you can immediately implement to make you safer. This book can literally save your life!
