## **Pretty in Ink** Lindsey Palmer

"A sharp, hilarious romp through a spot-on believable women's magazine." --Sally Koslow, former Editor-in-Chief of *McCall's*

"An essential novel. . .engaging, sensitive, and so much fun. . .I wanted to hang out with the women of *Hers* Magazine long after I'd turned the last page." --Diana Spechler, author of *Skinny*

For years, *Hers* magazine has been a fixture on newsstands--relatable, reliable, and ever-so-slightly frumpy. But with sales slumping, *Hers'* editor-in-chief soon finds a pink slip in her inbox. And her ruthless, blisteringly high-heeled replacement may not be finished cleaning house yet. . .

Leah Brenner suspects she won't be on the payroll much longer either. A telecommuting, breast milk-pumping mom of three doesn't mesh with her new boss Mimi's vision of a sleeker, younger-skewing *Hers*. Not content with nabbing Leah's office, Mimi's protégée, Victoria, is itching to take over Leah's duties too--and she's not alone. As the summer rolls out, and staffers are asked to give up even their sexiest secrets to save the brand, everyone at *Hers*--the sycophantic new assistant; the photo editor who's sleeping with her boss; the Ivy League intern with oversized aspirations--will fight to keep her career, and some shred of dignity, intact.

Smart, perceptive, and hilarious, Lindsey J. Palmer's debut delivers an all too true-to-life tale of very different women faced with high-stakes choices in a rapidly changing--yet utterly familiar--world.

*Publishers Weekly* says of *Pretty in Ink*, "Filled with juicy gossip and outrageous office politics...a dishy, catty book, that's... an indulgent roll in the mud. Palmer writes this side of womanhood brilliantly." *Booklist* says, "A lighthearted gambol through the ever-changing world of women's magazine publishing, former magazine editor Palmer's debut contains the authenticity of experience and the salacious story snippets fans of *The Devil Wears Prada* (2003) will appreciate... With different chapters devoted to different POVs, the politics of the magazine industry find full display in this deliciously delectable read."

"Tantalizing. . .*Pretty in Ink* is part comic love story and part bloody valentine." --Devan Sipher, *New York Times* "Vows" columnist and author of *The Wedding Beat*

"This entertaining debut exposes the catty, crazy and competitive inner workings of women's magazines. A former editor herself, Palmer explores this rarefied workplace and the women struggling to rise to the top--or just hold onto their jobs. A fun, fantastic read." --Jennifer Miller, author of *The Year of the Gadfly*
