## **Superior Dilemma (A Lake Superior Mystery) Matthew Williams**

Earl Parsons is a champion musher with a notorious past; he left Apostle Bay as a pariah, and his return for a sled dog race opens both old and new wounds in the community. Ex FBI agent Steve Olsen is obsessed by the one case he couldn't close, spending his retirement stalking the prime suspect and seeking redemption. Gina Holt's daughter disappeared fourteen years ago and is presumed dead. Friends can't understand why she's bent on helping the man who was responsible a second time.

And someone is booby-trapping community trails, endangering tourists and snowmobilers. Only a vigilante group that police loathe may have the manpower to prevent the next attack.

Reporter Vince Marshall is possibly the only one who can solve all these dilemmas, yet he's more concerned about his wife's mysterious illness than solving riddles of Apostle Bay's past. A Lake Superior winter brings with it some snow and a good dose of mayhem to this Vince Marshall thriller.
