**The Harvest Gypsies** John Steinbeck

**Selected by NYU as one of the century's best books of American journalism**

Gathered in this volume are seven long-form articles that John Steinbeck wrote in 1936 about the plight of migrant farmworkers during the Dust Bowl, accompanied by photographs by Dorothea Lange and others. Steinbeck toured the squatters' camps and Hoovervilles of California, creating unforgettable portraits of once strong, independent farmers reduced to misery. The inquisitiveness and outrage of an investigative reporter combined with the expressive powers of a novelist in his prime fueled *The Harvest Gypsies*, which in turn furnished the factual and emotional roots for *The Grapes of Wrath* and has long been hailed as an American classic in its own right.
