An erotic, fantasy adventure, this is a romantic tale of magic, emotion, and human motivation that does not turn a blind eye to the frank sexuality of its characters. Within these pages live witches, shapechangers, demons, and immortal beings. Turn the page and let them unveil their dark story in the ambiance of medieval France.

Extended Description

23,000 word novella

The paths of the Marechal de Barristide and Melisse, runaway servant accused of a grisly murder, narrow to convergence in a seamy quarter of Licharre, a city bordering the Ardoise mountains to the south.

Lust and desire burn all that lies between them as demons rear their ugly heads, twisting their destinies together while powers beyond those of mankind exact their vile desires.

Blood will run before it is over and doom shall fall where it will in this continuing story of supernatural passion and erotic romance.
