Looking for a tale of a horny housewife?

Erotic romance for adults only. Carissa and Leo are newlyweds, but Leo is a busy CEO who is often too tired to satisfy his wife. Her needs go unmet, and although she tries to remain faithful to her husband, it doesn't work, and she has a delightful afternoon with Jake and his girlfriend Heather. Her sex drive is more fully awakened, and she occasionally frolics with household servants, all while aching to find satisfaction with her husband. Her mother-in-law takes her to a spiritual healer, because she is expected to produce an heir and cement their marriage, and the spiritual healer introduces her to more sexual pleasure. Business takes Carissa and Leo to Bombay, and on their return, they realize their business has severe money problems and Leo needs to leave again while Carissa works at the factory. She has some more adventures until Leo returns. Then, her childhood best friend, Anna, arrives with news of her upcoming wedding, and the two ladies enjoy shopping adventures. Anna enjoys more than shopping with Carissa though, and she takes a lover. Finally, Carissa and Anna return to Anna's hometown, and Carissa is seduced by a fashion photographer. Explicit sex, including threesomes, straight and lesbian sex.

Kindle edition, approximately 261 pages.
