Criminology: Theory, Research, and Policy

Gennaro F. Vito, Jeffrey R. Maahs

Criminology: Theory, Research, and Policy Gennaro F. Vito, Jeffrey R. Maahs

Crime is an important social issue and how policymakers deal with crime (via crime policy) can have enormous social and financial implications. The fourth edition of best-selling *Criminology: Theory, Research, and Policy* discusses criminal behavior and explores the factors that contribute to crime as well as the social reactions to crime. By making the connection between theory, research, and policy, the authors demonstrate the relevancy of criminological theory in the public attempt to control crime while providing justice. The emphasis on these three elements with pertinent discussions and examples is what sets this text apart from other criminology titles. Each new print copy includes Navigate 2 Advantage Access that unlocks a comprehensive and interactive eBook, student practice activities and assessments, a full suite of instructor resources (available to adopting instructors with course ID), and learning analytics reporting tools (available to adopting instructors with course ID).
