## **Double Cross: The True Story of the D-Day Spies [Audiobook, Unabridged] [Double Cross] Ben Macintyre (Author), John Lee (Reader) BM**

In his celebrated bestsellers *Agent Zigzag* and *Operation Mincemeat*, Ben Macintyre told the dazzling true stories of a remarkable WWII double agent and of how the Allies employed a corpse to fool the Nazis and assure a decisive victory. In *Double Cross*, Macintyre returns with the untold story of the grand final deception of the war and of the extraordinary spies who achieved it. On June 6, 1944, 150,000 Allied troops landed on the beaches of Normandy and suffered an astonishingly low rate of casualties. D-Day was a stunning military accomplishment, but it was also a masterpiece of trickery. Operation Fortitude, which protected and enabled the invasion, and the Double Cross system, which specialized in turning German spies into double agents, deceived the Nazis into believing that the Allies would attack at Calais and Norway rather than Normandy. It was the most sophisticated and successful deception operation ever carried out, ensuring that Hitler kept an entire army awaiting a fake invasion, saving thousands of lives, and securing an Allied victory at the most critical juncture in the war.
