Gulliver Takes Manhattan Justin Luke Zirilli

Gulliver Takes Manhattan (first published as *Gulliver Travels*) is the tale of twenty-something Gulliver Leverenz, who abandons sunny L.A. for a fresh start in New York. He's leaving behind his family, his friends—and one bastard ex-boyfriend who can't take a hint. With no money, job, or direction, Gully gratefully accepts an invitation to crash with his former fraternity brother Todd. As luck would have it, Todd lives in Hell's Kitchen, New York's hottest "gayborhood," and is a rising star in the gay nightlife scene, complete with a crew of incredibly hot friends. Not long after, Gully snags a job with a talent agent and even finds himself a new boyfriend. There's just one catch: Gulliver knows this budding relationship could get him in a lot of trouble. And inevitably, it does just that. Gulliver's streak of good fortune soon takes a turn for the miserable as his choices unleash an onslaught of catastrophes that leaves him in a tragic and seemingly hopeless situation beneath the skyscrapers. But Gully's tougher than he realizes and is determined to prove, for once and for all, that he has what it takes to make it in New York. By turns exciting, sad, and hysterically funny, *Gulliver Takes Manhattan* is a refreshingly candid tale of one man's quest to stake a place for himself in the greatest city in the world.

From reader reviews:

Doris Anderson:

Nowadays reading books be than want or need but also become a life style. This reading practice give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that improve your knowledge and information. The info you get based on what kind of book you read, if you want drive more knowledge just go with education books but if you want experience happy read one along with theme for entertaining for instance comic or novel. Often the Gulliver Takes Manhattan is kind of reserve which is giving the reader unstable experience.

Mary Quinn:

This Gulliver Takes Manhattan is great reserve for you because the content that is certainly full of information for you who always deal with world and get to make decision every minute. This particular book reveal it details accurately using great arrange word or we can point out no rambling sentences inside. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but hard core information with beautiful delivering sentences. Having Gulliver Takes Manhattan in your hand like getting the world in your arm, information in it is not ridiculous one. We can say that no publication that offer you world in ten or fifteen tiny right but this publication already do that. So , this is good reading book. Hi Mr. and Mrs. occupied do you still doubt in which?

Robert Long:

As we know that book is significant thing to add our expertise for everything. By a reserve we can know everything we want. A book is a set of written, printed, illustrated or blank sheet. Every year seemed to be exactly added. This e-book Gulliver Takes Manhattan was filled in relation to science. Spend your extra time to add your knowledge about your scientific disciplines competence. Some people has several feel when they reading some sort of book. If you know how big benefit from a book, you can experience enjoy to read a reserve. In the modern era like now, many ways to get book which you wanted.

Rosemary Robinson:

A lot of e-book has printed but it differs. You can get it by online on social media. You can choose the top book for you, science, witty, novel, or whatever through searching from it. It is identified as of book Gulliver Takes Manhattan. You'll be able to your knowledge by it. Without causing the printed book, it may add your knowledge and make you happier to read. It is most essential that, you must aware about guide. It can bring you from one destination for a other place.
