## **Solomon's Guitar: The Legend of a Guitar Hero** Michael A. Lawrence

Mike first began to develop his idea for the book in 1993. For over 15 years he has made notes and stashed them in a file and written a little here and there. He has almost always worked two jobs and his busy life did not leave much time to write, but he could never quit thinking about it. Finally he decided to finish it, if for no other reason than he could get the idea out of his head and quit daydreaming about it. In ancient Israel, God granted one wish to a Solomon and he became the richest and wisest of kings. What if God did it again, but this time it was for a teenager named Solomon Sanchez? Instead of choosing wisdom, what if he chose to be the greatest guitarist in the world? Anyone who has ever fantasized about being rich and famous, anyone who has dreamed of being a rock star, anyone who has enjoyed playing music video games will enjoy this story. It is a wild and fun ride with many twists and turns. There is much to gain from Solomon and his many mistakes and successes.
