The year 2016 is the Chinese Year of the Monkey – what will this mean for you? This complete guide contains all the predictions you will need to take you into the year ahead – an interesting year offering scope, awareness and much possibility.

The ancient art of Chinese astrology, which predates the Western zodiac, is a detailed system of divination that has been in use in the Orient for thousands of years.

The depth of its wisdom and the accuracy of its character analysis and prediction has caught the imagination of the Western world in recent years and led to a rapid rise in its popularity.

This popular and enlightening bestselling guide – now in its 29th year – includes:

- Everything you need to know about the 12 signs of the Chinese zodiac
- An explanation of the Five Elements: metal, water, wood, fire and earth, and which one governs your sign
- Individual predictions to help you find love, luck and success
- What the Year of the Monkey has in store for you, your family, your loved ones and friends.
