ONE LIFE TO LIVE (OLTL) has been enchanting audiences since its debut on July 15, 1968-- and this is the ultimate book to celebrate the show's 40th anniversary in 2008, full of hundreds of juicy tidbits such as:

**What kiss caused an ABC affiliate in Texas to drop the show?** When Dr. Price Trainor (Peter DeAnda, Thuman Scott), a black doctor, fell in love with Carla Benari (Ellen Holly), a light-skinned black woman passing herself off as white.

**Plans to launch a doll of which character sparked outrage?** A replica of convicted gang rapist Todd Manning.

**Which villain spoofed Tom Cruise's couch-jumping antics on Oprah?** Tate Harmon (Chris Beetem) came on *The View* and hopped all over the furniture, proclaiming his love for Adriana Cramer (Melissa Gallo).

**Which character was based on Paris Hilton?** When Jessica Buchanan developed multiple personality disorder, her party girl alternate personality Tess was based on socialite Paris Hilton.

**What popular singer agreed to perform on the show only if her grandmother, a longtime fan, could be on the set?** Erykah Badu agreed to perform under the condition that her grandmother, a huge fan, be allowed on set during the taping.

**During which location shoot did one of the show's stars step into an actual pool of quicksand?**

In 1982, mad scientist Ivan Kipling (Jack Betts) kidnapped Karen Wolek (Judith Light) and took her to his plantation in South America. The producers filmed the outdoor jungle scenes in Silver Springs, Florida. At one point during the five-day shoot, Judith Light herself wandered into a patch of quicksand.

The book will take you behind the scenes to let you know which diva names her character's hairpieces as if they were puppies (Robin Strasser), which actress had a lock of her hair clipped on the sidewalk by a fan (Andrea Evans) and which actor started a backstage petition to force the producer to let him cut his hair (Forbes Nash). The One Life to Live Trivia Book will not only tell you which couples on the show enjoyed each other's company offscreen but which popular couples had a hard time getting along with one another. Reaching an audience of millions for four decades, OLTL has a tremendous and loyal fan base who will devour this fun-fact filled guide-- it will be the ultimate go-to book for all who adore this beloved soap!
