Carnal Sacrifice Angelika Helsing

To lift a curse, she must survive an orgy of pleasure.

Delaney Jones dedicates her life to the Peace Corps—up at dawn, work past dusk. On a mountain overlooking the Sacred Valley in Peru, she's thousands of miles away from the real reason she fled her home. Her stepbrother, rock god Jaden Seavers.

But half a world isn't far enough to outrun the strange, erotic visions of him that disturb her dreams. When she unexpectedly encounters Jaden on a desolate Peruvian road, their mutual hunger is stronger than ever.

In the uncontrollable rush of desire, Jaden can no longer hide the truth. He is a vampire—and he's not alone. Many of his kind have come to Peru to take part in a ritual that will make them mortal.

All they need is a vessel strong enough to withstand the power of five vampires gone wild with an unholy craving. And when the eruption of lust is over, survive to fill the emptiness of the one man who loves her more than life itself...

Warning: Contains the ultimate battle between sex and death. An orgy of pleasure so sinful, so forbidden, readers might need a week to recover. If you get lightheaded, remember to put your head between your knees.
