## **Doctor Jekyll and Master Hyde** Jody Moffitt

When an accidental exposure to an experimental formula transforms the normally reserved Dr. Jekyll into the confident sexual dominant Master Hyde, Gabrielle is concerned for the safety of the man she's long admired.

Dr. Jekyll's change has unlocked something primal in Gabrielle, and she wants desperately to believe his claim that the formula has exposed his true self--Master Hyde, the man who now owns her, body and soul. He makes her burn with need while teaching her how to please him as she submits to his lustful control. The oh so good doctor has a shadowy past, so even though Gabrielle has never felt such desire, she fears what the future might hold for the man she has come to need, to love.

Reader Advisory: This story has graphic sexual language and scenes--no closed bedroom doors (or other rooms) here!

An adult BDSM romance from Ellora's Cave
