Kassandra Lamb

Psychotherapist Kate Huntington returns to the work she loves only to face a series of disturbing events: anonymous and vaguely threatening notes, a malpractice suit for allegedly planting false memories in a client's head, and when a party involved in the lawsuit turns up dead, Kate becomes a murder suspect. There is one bright note; she's falling in love. Now if she could just get the ghost of her dead husband out of her head. Her friend, Rob Franklin, has his misgivings about her too-handsome -to-be-trusted suitor. But when the note-sender ups the ante, threatening to "destroy" Kate's family, the two men must work together to support the woman they both love and help her stop a killer... before that killer comes after Kate's baby girl. (All books in this series are designed to be read and enjoyed as stand-alones as well.)
