“It is not in the stars to hold our destiny but in ourselves.” ~ William Shakespeare

Are you the one who controls your life or is your life controlling you? Which road should you take? Do you know which path will lead you to where you really want to be?

Creating and shaping your own destiny is one of the many things that only a handful of persons can successfully do, while most end up aimlessly cruising through life, hoping that one day, their predetermined fate will step in and lady luck will shine on their lives.

If you want to live with purpose, the first thing that you have to do is to know remember that more than anyone or anything else, it is only you who have the sole power of creating the destiny that you have defined. It is you who have the ability of preparing for the opportunities that are bound to come your way. It is you who make things happen. You do not just put your trust on fate. Creating your own path and destiny is actually all up to you. That is the foremost thing that you need to keep in mind if you really want to live a life with purpose. Get all the info you need here.
