He's Not My Mom's Boyfriend Anymore! (Licking Lilly: Momma's Boyfriend Wants Me) Miranda Push

approx. 5000 word short erotica. John Miller has waited two long years. His relationship with Sharon Curtis, what there ever was, is over...and now her hot, innocent daughter Lilly Curtis has turned 18. John knows what he wants and he charges into her room. Finding her naked, just out of the shower, he should leave. But instead he closes and locks the door, locking them in together while her mother takes a drunken nap downstairs. Things spiral out of control from there. **WARNING:** This is not a love story. Pure and graphic sex, borderline desires and raw needs explored. The right kind of nasty. And this is just the beginning.
