Latin for Children, Primer A (Latin Edition) Aaron Larsen, Christopher Perrin

The Latin for Children: Primer A is engaging, incremental, creative and filled with clear grammatical explanations, illustrations, exercises, tests, and a sizable and useful reference section. The text comes with a plethora of mnemonic aids (songs, chants) that enable students to learn vocabulary (over 240 of the most frequently occurring words) and grammar with ease and delight. The text is graphically engaging, featuring a crisp, classical look professionally designed. These books are the collaborative effort of three Latin teachers, and are the fruit of six years of research and testing. Caveat emptor (let the buyer beware), these books have made Latin the favorite subject of many students around the nation.

Educators will find all curricula by Classical Academic Press to be created with four important attributes. Each product is classical, creative, relevant, and easy to use. As our company name implies, you will find that we publish classical books and media, seeking to acquaint students with the best that has been thought and said.

We also design and present our products with creativity and zest, from beautiful illustrations to engaging storytelling, ensuring that the classical subjects being taught are anything but boring.

Areas we publish in include:

- Latin
- Ancient Greek
- Logic
- Writing & Rhetoric
- Bible, Old & New Testament
