Cecily Sinclair Baxter hosts a holiday party at the Pennyfoot Hotel where the children of Badger's End can meet Father Christmas. Unfortunately, the jolly old man is found dead along with one of his helpers.

The role of St. Nicholas had previously been played by a notorious village drunkard, and the police believe the two men killed each other. But Cecily has her doubts, as the murder weapon was never recovered. And since no one has left the hotel since the crime, she's making a list of suspects-and checking it twice.
