The Dog Walked Down the Street: An Outspoken Guide for Writers Who Want to Publish Sal Glynn
A great book for first time and experienced writers in search of answers and support while going through the process of writing, publishing, and selling a book.

Inspiration has never been easy to come by, and sound advice for writers can be equally hard to find. Few writers have a realistic idea of what actually goes on inside the publishing industry, nor of how to work with a publisher, editor, or graphic designer. Sal Glynn provides immediate answers to questions posed by writers who've found themselves struggling with the specifics of trying to get published while contending with the common obstacles to writing well and completing a manuscript without succumbing to writer's block, fatigue, self-doubt, and depression.
