## Wicked Road: Midnight Scars Series Part One (Volume 1) H'deel Batnij

What does a dark but innocent girl do when Death follows her, and hurts all that she loves? "It brought on a memory of my parents. I remembered the screaming, the pants, the gasps, the pain, the cries, and the burn. It also brought on the memory of Mathew dying. I closed my eyes and sighed deep as I counted from ten to one backwards a couple of times, something I learned from therapy a long time ago. After I reopened them and collected myself I looked into the distance. I couldn't keep count of how many times I had felt paralyzed lately. I watched the fire till it all burned into ashes, till there was nothing left of it, till there was nothing left of the evidence just like the memory of my house burning down into nothingness. I was wrong. Revenge isn't always beautiful." Donnie not being able to take control of her own body during the day of the "recording" was terrifying and hard to believe. Thanks to Marilyn, the Goth guitarist in her foster brother's band (or used to be), is not just any normal Goth. But a practiced Demon summoner looking towards a high seating in Lucifer's chair. And to do so, he needs an innocent lady who shall be his virgin bride. Donnie was perfect to his set of eyes. Donnie falling madly in love with her best friend, Ronnie Sykes, was not in her hands to stop it. And as the grieving months passed by she was losing herself into her own heart. Being alone definitely sucked for her when her friends were nowhere near her anymore, her best friend moving to another state, and her foster brother being dead... Yeah, Hell was on the loose. Will hope be there for her? Is there a light ahead for her at the end of the road?
