A Bespoke Journey (Volume 1) Andre Fu

Proclaimed a 'Design Master' by Monocle magazine, 'Hong Kong's Design Stalwart' by Wallpaper*, and an 'Asian Design Sensation' by Conde Nast Traveler US, A Bespoke Journey is Andre Fu's first coffee table book and is an artfully created showcase of 12 of his most outstanding projects to date. Andre Fu's distinctive approach to interior architecture combines the rigorous pursuit of new Asian aesthetics, with clarity in space planning and keen attention to the details of everyday life. Over the course of the last decade, his studio AFSO has applied its vision of design to the fundamental qualities of space, proportion, light and material to a range of projects of varying scales and typologies. A Bespoke Journey seeks to provide a pictorial approach of amassing a body of design works that continues to push at the boundaries but remains true to the original vision. The book is extensively illustrated with photographs, alongside some of Fu's personal hand sketches from which each concept originates. A Bespoke Journey offers a perfect introduction of those unfamiliar with the work of Andre Fu, and intriguing new insights of those whose interest is longstanding. It will also appeal to anyone curious about the human narratives underlying the creation of some of the most notable spaces Fu has crafted over the past 10 years. Fu's spaces are created to inspire and indulge. The book details 12 of Andre Fu's most significant projects to date, including Hong Kong's The Upper House Hotel, The Fullerton Bay Hotel at Singapore's waterfront, and Ben Brown Fine Arts gallery, as he continues his design journey across the globe.??A Bespoke Journey is published by The Antithesis, a Hong Kong based boutique publisher of luxury lifestyle magazines and books. The foreword of the book is by celebrated restaurateur Alan Yau.
