Dating After A Breakup: How to Bring Love Back into Your Life

Bounce back from your misery and depression and move back into the dating scene

A lot of people think that breakups are the end of the world – but it's not. Ever heard about life after death? That's true for breakups. You don't die with the relationship. Instead, you learn to move on after all those tears have been shed. With this book, you can:

- \* get closure from the breakup
- \* be excited about dating again
- \* identify the new pressures of dating
- \* attract the right person
- \* bring love back into your life

## WHAT'S INSIDE?

Breakups aren't bad news. Sometimes, you have to see it as a part of life. Not every relationship is going to end up the way you wanted, so you have to be ready for the imminent breakup. But even if you have readied yourself, it's still going to hurt at first. However, don't let depression and sadness win you over. Getting a breakup doesn't mean it's the end of the world, it just means that you aren't for each other. Stop wallowing in your demise and get back on track. Bring love back even after a breakup with:

- \* four things you need to slowly get your rhythm back
- \* the do's and don'ts you need to know after you get a breakup
- \* six ways to get excited about dating
- \* the five things to rock your love life
