## **Ignite (Defy)** Sara B. Larson

In the kingdom of Antion, peace has at long last been restored. Now that King Hector's reign of terror is over, the newly crowned King Damian, along with his most trusted guard, Alexa, must focus on rebuilding Antion and reclaiming the hope of their people. But the wounds of the past are no as easily mended as Alexa and Damian had hoped. And to further complicate matters, Alexa still harbors a secret love for Damian, a love she refuses to acknowledge for the sake of Antion, and for the sake of the king himself.

When new threats to the kingdom surface--including an assassination attempt on Damian--blame is cast on the once-friendly nation of Blevon. Alexa knows things are not what they seem, however, and once again the fate of her country hangs in the balance. Will Alexa be able to protect her king and find the true enemy before it's too late?

Filled with romance and treachery, magic and violence, this stunning sequel to Defy whisks readers off on another thrilling adventure.

### From reader reviews:

#### **Lisa King:**

Do you have favorite book? In case you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each book has different aim or even goal; it means that book has different type. Some people sense enjoy to spend their time for you to read a book. They can be reading whatever they acquire because their hobby is actually reading a book. How about the person who don't like looking at a book? Sometime, man or woman feel need book after they found difficult problem or maybe exercise. Well, probably you will want this Ignite (Defy).

#### **Geneva Milbourn:**

What do you consider book? It is just for students because they are still students or that for all people in the world, the actual best subject for that? Just you can be answered for that question above. Every person has different personality and hobby for every other. Don't to be forced someone or something that they don't desire do that. You must know how great and important the book Ignite (Defy). All type of book can you see on many resources. You can look for the internet resources or other social media.

#### **Diana Gum:**

Information is provisions for individuals to get better life, information presently can get by anyone from everywhere. The information can be a knowledge or any news even a problem. What people must be consider while those information which is within the former life are difficult to be find than now is taking seriously which one works to believe or which one the particular resource are convinced. If you have the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen with you if you take Ignite (Defy) as your daily resource information.

#### **Alberto Kimble:**

This Ignite (Defy) is great e-book for you because the content and that is full of information for you who always deal with world and possess to make decision every minute. This book reveal it info accurately using great coordinate word or we can claim no rambling sentences inside it. So if you are read it hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but tricky core information with splendid delivering sentences. Having Ignite (Defy) in your hand like obtaining the world in your arm, data in it is not ridiculous a single. We can say that no guide that offer you world throughout ten or fifteen second right but this reserve already do that. So , this can be good reading book. Hey there Mr. and Mrs. stressful do you still doubt which?
