Love Is Tia Kelly

It took a once-in-a-lifetime bond to teach her what love is, and a once-in-a-lifetime betrayal to show her what love is not... Love Is. A different kind of love story.

Diane Collins had big plans for her life, and hoops star Warren Scott was not among them. He doesn't want to be the face of the NBA, and she doesn't care that he is. His reluctance to be part of the limelight disarms her and the two embark on an unlikely friendship that becomes an even unlikelier romance.

Soon, his life is her life - filled with VIP treatment, parties and luxuries beyond Diane's wildest imagination. But Warren is harboring a secret, and once it's revealed Diane's decision to stay or go could change the very fabric of who she thought she was.
