## **The Turning Point** Freya North

There are moments in life that define us. What matters is how we choose to carry on.

Two single parents, Scott and Frankie, meet by chance.

Their homes are thousands of miles apart: Frankie lives amid mess and chaos with her children on the shoreline of North Norfolk, while Scott's life is in the mountains of British Columbia. Distance divides them – but it seems that a million little things connect them. A spark ignites, one so strong that it dares them to take a risk.

But fate has one more trick in store...

There are some truths about life and family we only learn when we grow up. There are some we never thought we'd have to.
