Twelve Steps to Destruction: Codependency/Recovery Heresies Martin Bobgan, Deidre Bobgan

This book is written for those who are suffering from the trials of life and for those who want to help. It is for those who are thinking about joining a recovery group or entering a treatment center for addiction or codependency. It is also for those who are currently in such a program and for those who have tried twelve-step programs and found them lacking. The Bobgans examine codependency/recovery teachings, Alcoholics Anonymous, twelve-step groups, and addiction treatment programs from a biblical, historical, and research perspective. They urge believers to trust in the sufficiency of Christ, the Word of God, and the fellowship of the saints.
