All the Love in the World Jesse Hunter

A beautiful, uplifting collection of photographs celebrating the universal symbol of the love heart all over the world. In 2010, photographer Jesse and his partner Mikala embarked on a global photographic adventure, 650 days, 44 countries, and six continents, to frame the world in their own unique way. Jesse soon noticed certain things that he was photographing again and again. These things became collections, and the biggest collection, which came to over a thousand, was of love hearts. It was then that Jesse knew the love hearts had chosen him. *All the Love in the World* is the result of Jesse's work, a beautiful, positive, and inspirational little book of photographs celebrating the fact that wherever you are in the world, the love heart is there with you.
