Apples & Oranges (The This & That Series Book 2) Brooke Moss

(This book is part 2 of a series. Though it is a stand-alone novel, it is understood best if read in order. Grab your copy of *Baby & Bump* to read first, if you haven't already!)

Marisol Vargas had life all figured out. Having fun without strings attached was good. Commitment and monogamy was bad. That is, until both of her best friends got married and had kids. Now all of the sudden, instead of being envied for her footloose and fancy-free lifestyle, Marisol finds herself on the outside looking in. Suddenly her home feels like a big, empty house. And her heart feels like the last kid picked for kickball.

Then her car breaks down.

When Marisol meets the owner of Triple D's Garage, Demetrious Antonopolous, she pegs him a bitter, blue collar grunt. They're complete opposites, like apples and oranges, yet beneath the aggravation lies some serious passion.

Little does Marisol know that Demo might be exactly what she needs, and it has nothing to do with cars or the kitchen.

When tragedy strikes, will Marisol be able to let Demo in, or will she push him away? And how can two complete opposites finally learn how to make great recipes together?
