CREATING MISSIONAL COMMUNITY

Down We Go is a practitioner's guide for creating and cultivating missional community. It's based on the idea of living into the Beatitudes, and explores what it means to follow Jesus into the hard places of suffering, inequality, and injustice in order to cultivate, hope, beauty, justice, equality, generosity and healing.

The dream of living out the upside-down ways of Jesus is in our hearts, but many don't know how to make "what could be" really be. We need practical, tangible ideas to make dreams reality. We need to hear how it can work, from people on the margins and practitioners living in the trenches. We need real stories of practice that will fan our hopes and dreams for justice, mercy, equality, and healing in the kingdom of God into flame. Down We Go fleshes out practicing the ways of Jesus in action, personally and through life in community.
