Murda Mami's ", SoLo"

"SoLo" is originally from Brooklyn, New York. At a young age he began to write poetry and short stories about his life experiences. He is a very quiet person that loves to look, listen and observe his surroundings. Writing has always been a hidden talent of his that very few people knew about.

At a young age, SoLo ventured out on his own, going nowhere fast. From his teenage years well into his early twenties he learned how to survive the hard way on the streets of New York. He did what he had to do, to make a dollar out of fifteen cents. He encountered many people during his struggle to find what he was looking for in life. He learned quickly that he could not trust everyone he met, because not everyone has his best interest at heart. He found himself getting in and out of trouble so he decided to relocate to make a better life for himself.

Now SoLo is older, but still a young man. He has settled down in life and decided to pull all of his writings out of his secret hiding spot and introduce some of it to the world in his books. Some of his real life experiences are mentioned in some of his writings. Like they say. Been there, done that. He has seen, done, and tried a lot of things that he has paid for in life, because of the hard lessons he learned growing up. But it has made him a better man today.

SoLo presently lives in North Carolina in a secluded location with his wife and family. Standing 6 2 he loves to workout and play basketball. He also enjoys watching sports on television and doing things with his family, and spends most of his quite time writing for your reading enjoyment.
