Season of the Gar: Adventures in Pursuit of America's Most Misunderstood Fish

Mark Spitzer

Season of the Gar: Adventures in Pursuit of America's Most Misunderstood Fish Mark Spitzer

Season of the Gar is a fang-infested, monster-headed, armor-plated romp through the prehistoric swamps and murky rivers of America's most feared and demonized fish. Follow Mark Spitzer on his lengthy and often frustrating quest from Texas and Louisiana, Missouri, and Arkansas to catch his own gar. Read about his sometimes bizarre angling adventures in search of this air-breathing freshwater giant (up to ten feet in length and well over three hundred pounds) as he separates fact from fiction. Spitzer draws on folklore, science, history, his own pet gar, and even gar recipes to tell this unique and exciting literary eco-tale about a fish that has inspired imaginations for centuries, a fish many have hated, a fish many have thrown on the shore to die.
