In TAMING MAD MAX, a 2008 Golden Heart finalist under the title BETTER LATE THAN NEVER, Max and Kari learn that sometimes life offers a second chance to get it right.

Max Dutton, a starting NFL linebacker for the Los Angeles Condors, lives life to its fullest because he knows everything can change in the blink of an eye. His father and grandfather both passed away at an early age. For this reason, Max also shies away from forming close relationships. What would be the point of falling in love and starting a family only to leave them as his father left him and his sisters?

Nutrition expert, Kari Murphy, went through high school with a mad crush on Max Dutton. He was the hot football player back then and she realizes nothing has changed when she's hired by the NFL franchise to give Max healthy-eating advice, foolproof facts about carbohydrates and tasteful tips on cooking and shopping smart.
