"Nikita meets Dirty Harry" "A female Jack Reacher"

In the dead of night, shadows stalk from out of the darkness and shatter the tranquility of suburbia. When they vanish, a body lies dead in a pool of blood.

Is it a theft gone badly wrong? A 'message' from a vicious crime boss? Vengeance for sins of the past?

The police haven't got a clue, so the guilty look set to escape unpunished.

But one woman is determined to unveil the truth. One woman driven by a burning rage for justice. One woman... alone.

Tess Williams is no stranger to New York City's sleazy underworld, where savage scum prey on the innocent. In her world, there are no rules but hers, and hers serve but one purpose: to see justice done.

Tess rampages through suburbia, tracking down suspects, uncovering leads, and digging up evidence. She won't stop until she catches the killers. Or catches a bullet.

However, when not everyone and everything are what they appear to be, punishing those responsible proves not just difficult but deadly.

On a hunt for justice much blood will be spilled. Against such brutal and merciless killers, Tess can only pray that blood won't be hers.
